About This Content

Ill Met in Lankmar...

In the City of Sevenscore Thousand Smokes, danger lurks down every dark alley. Sinister sorcerers summon terrible forces in their crumbling towers. Treacherous rogues of the Thieves' Guild prowl the Plaza of Dark Delights. Assassins from the Slayers' Brotherhood work the Tenderloin District. And hunched figures skitter beneath the streets, waiting for their chance to rise.

But there is action, adventure, and wealth here too—if your rogues have the skill and bravado to claim it!

Lankmar: City of Thieves is the core setting book for **Fritz Leiber's** world of swords & sorcery. It contains details on the world of Nehwon and the city of Lankmar, Setting Rules, Savage Tales, monsters and foes, and recounts the tales of world's most notorious scoundrels—including Fafhrd, the Gray Mouser, and their sorcerous sponsors.

Lankmar: City of Thieves written by **Thomas M. Reid**

Fantasy Grounds conversion: **Scott Geeding**

Requires: A one time purchase of a Fantasy Grounds full or ultimate license or an active subscription and a one time purchase of the Savage Worlds ruleset.
